CONTENTS

Hello and welcome to this Month's issue of Shout! Our month of prayer and fasting has just come to an end and what a wonderful time we had in the presence of God!

The Word for June was Revival (Habakkuk 3:2), which means to improve the condition of, to strengthen, restore, regenerate, relaunch and reawaken. What God has started in our lives during this season shall be completed and it shall be

permanent in Jesus name.

In July God will perfect everything that concerns you. Your ministry and work shall be perfected; your vision will become possible. God will perfect your prayer life. He will perfect your Christian life. He will cause you to walk in spiritual victory. Receive total restoration, increase and promotion in Jesus' name.

Everything you lay your hands on will be profitable. God will prepare a table before you in the presence of your enemies and cause you to walk in total blessing In the name of Jesus.

May the LORD bless you and protect you. May the LORD smile on you and be gracious to you. May the LORD show you his favour and give you his peace (Numbers 6:24-26)

You are blessed and highly favoured

TESTIMONIES

MASTER BREAKTHROUGH

I started a new job in the area of technology however, two months into the probation period many people, including myself, were made redundant. I was a bit confused as this meant the company only had to give me 1 week's notice with no benefits. I believed and trusted God to upgrade me. I thanked God when I was told I would receive full staff benefits including a 30 days' notice period. Being so close to Christmas, I believed God that my present from Him would be a new job.

I attended a Sunday evening service at KICC Prayer City titled 'Master Breakthrough' where Pastor Matthew prophesied "We will be strangers to failure, shame and disappointment instead receiving restoration for all we have lost."

The very next day, I was inundated with interview requests from many companies. On some days I had no choice but to have 3 interviews in one day. Hallelujah! The one company that I particularly liked requested an interview with me. I passed the first two stages of the interview. For stage three I was asked to give a presentation on 'How to Improve The Company App.' The company's founder attended and said he loved it and that the standard of my presentation was excellent. The lead designer said one of my solutions solved a problem that they were currently trying to fix. I was immediately invited to a final stage interview where I was offered the job. On the same day I received a job offer from another company. This gave me leverage to negotiate my new salary to £20,000 more than the job I had been made redundant from.

Throughout this time, the devil tried to give me reasons to doubt God but I kept my faith because I knew that we serve an on time, master breakthrough, giving God who has a great plan for our lives. I thank God for giving me more and more reasons to testify. I also thank Him for placing me in KICC under the ministry of Pastor Matthew. I have truly been blessed by the teachings and The Word that is constantly spoken over our lives. Thank you Lord.

MARVELLOUS GIFTS

My family and I were attending 'When Champions Gather (WCG)' in Lagos earlier this year. When I received a mind blowing marvellous gifts. My former boss gave me an appointment to meet with her. However, the meeting could not go ahead as she had travelled to Lagos.

I knew that our meeting would have held good news for me. So, I refused to rest on the matter and took it to God. Despite many hindrances God turned things around. One the last night of the WCG program at the KICC Prayer Dome. I received a call from a stranger begging me not to leave Lagos until my blessing was delivered. The caller had been mandated to travel to Akure and ensure the blessings safe delivery to me.

I waited and received the deliveries which included a cheque and home appliances worth more than N200,000. As if that blessing was not enough, a reluctant client of ours drove to the KICC Prayer Dome and sealed a contract with us. God is too much. He is the LORD who does marvellous things.

MIRACLE BABY

I have been trusting God for another child although there have been challenges. In June I began bleeding this lasted several months until Communion Sunday in August.

During the service Pastor instructed that all members should ask God for one specific request. I asked that the bleeding would stop. After service I went to the restroom and noticed it had stopped. I monitored the situation. The bleeding did not return.

In September I went for a medical appointment and it was confirmed that I was two months pregnant. In the fullness of time the baby was born by caesarean section and declared a still birth. However, our God is a miracle worker and as the lifeless baby was being taken away by a nurse I requested them to bring the baby to me. I touched the baby and commanded the baby to come to life. The nurse then began to walk out of the room, as they got to the door the baby sneezed. Glory to God. My daughter and I are doing well.
