TESTIMONIES

DIVINE RECOVERY OF HEALTH

One morning, I woke up with a severe pain in my hip. I decided to go to the doctor and get my hip checked. The doctor informed me that there was a problem that may require major surgery. After the appointment I began to confess Bible verses especially Isaiah 53:4-6, while believing God for my healing. In June 2015, Pastor Matthew called anyone who was sick to the altar I went forward. Pastor Matthew called me and asked what was wrong. I told him about my hip and the possible surgery. Pastor Matthew prayed for me and the pain left. After a couple of months, the pain returned to the point where I was unable to walk properly. The devil is a liar. In 2016, the pain became severe and I was advised by my consultant to get ready for surgery. During a different service, Pastor Matthew said "anyone scheduled for surgery come to the altar for prayer." Again, after Pastor Matthew prayed, I was relieved and put my trust in the Lord. A few months later I had the surgery and to God be the glory it was successful. The doctors informed me that it could take up to a year to recover and start walking properly. I prayed for God to help me recover quickly using Ezekiel 37 as my scriptural focus. To the glory of God, my doctor and friends on the ward were surprised at how quickly I was recovering. I told everyone that it was by the power of God and within six months I was fully recovered. I thank God, Pastor Matthew and Pastor Yemisi; my family and I are very grateful to be under your teaching. Thank you Pastor Matthew. May the Lord continue to bless you abundantly.

GOD REBUKED THE DEVOURER

My brother was travelling to a coffee shop with a friend from his school and friends from a neighbouring school. The boys from the neighbouring school saw three young men with whom they'd had a previous altercation. They confronted the three men at knife point and stole their trainers and bags. The police charged my brother with robbery. He maintained that he knew nothing of the robbery and did not participate in it. The family instructed lawyers and they informed us that CCTV footage showed that my brother did not participate in the robbery. They believed this would settle the case during a pre-trial hearing. However in January 2018, we were advised that the Crown Prosecution Service (CPS) had refused to drop the charges against my brother because he was driving the car which one of the young men who had participated in the robbery had travelled in, making him party to the offence. The CPS offered a settlement for a plea of guilty. The alternative was that the case went to trial. The family decided not to allow my brother to accept culpability for something he didn't do and the case went to trial. I started to pray that the charges would be dropped and as a tither I rebuked the devourer using Pastor Yemisi's declaration 'that there will be no emergency spending.' I also met with Pastor Dipo and asked him to pray for my family. During The River, I arrived at a service just in time to hear Pastor Matthew declare "Anyone who wants to align you to something you didn't do, I sever you from it." Later in the service Pastor Matthew also mentioned Psalm 89:23 for divine vindication. I received it and used that scripture as a declaration into my brother's situation. To the glory of God,

on Tuesday 27th February, we got a call from my brother's lawyers stating 'the CPS had dropped the Robbery charge.' Hallelujah! I would like to thank Pastor Matthew, Pastor Yemisi and Pastor Dipo for their timely declarations that spoke directly to my family's situation. Thank you for your dedication as shepherds over this house. My family and I give all the glory to God for this victory.

GOD'S TIMING IS BEST & DIVINE PROTECTION

Four months after we had our first child, we started trying for another child. Over the course of the following year we decided to continue trying. Pastor Tuoyo had told us during the first pregnancy that the doctor will say "the baby came early." That prophecy did not speak at that time but I held onto it because I know the vision will speak and not tarry. When the LORD decided to turn our captivity around, I became pregnant then the challenges began. I fell ill so we fasted and prayed. It was very challenging as I was still travelling to work everyday. One day I was enjoying having a photoshoot when the Lord decided it was time for the baby to show up. To the Glory of God, the labour was fast and smooth and less painful than our first child. Thank you Lord. To you we give all the glory.

DIVINE PROTECTION

During the period of fasting and prayer in June, God delivered my five year old daughter from getting lost. The school bus usually drops her off with a family friend who has her three children in the same school, but on that day the school bus got to the house before the family friend had returned from work. The bus assistant left my daughter with a young neighbour who happened to open the main gate at the time the bus arrived.

When my daughter was inside the apartment she noticed that our family friend was not around. My daughter decided to go back to her school. Without thinking or supervision she walked quite a distance then discovered that the school was not as close as she assumed. Beckoning a stranger (a man) she asked if he knew the way to her school. The man did not know her school but decided to take her to the bank with him as he was on his way there.

Leaving my daughter outside while he went in to use the ATM a security guard noticed my daughter and started interrogating her. The line of questioning attracted my wife's cousin who was at the bank. She immediately told the security guard who she was. To cut the story short they contacted the school who sent their school bus to the location to pick her up.

We want to thank God for miraculously protecting and delivering our daughter in spite of the negligence of her school. I and my family are grateful to Almighty God that there was no loss in our family.

Thank you pastor Femi for your declarations that God watches over to perform them especially that there shall be no loss in the KICC family in Jesus name. Amen
