KICC New Season Crusade

Hello and welcome to this month's issue of SHOUT! September was the month of The Way Out! I thank God because He made a way in every wilderness and dry place of our lives. This is our month of Greatness. Begin to thank God for removing obstacles, guiding and moving us forward.

Receive wisdom and supernatural knowledge because the Lord will make you like a spring of water and establish your purpose. He will satisfy your soul and you will hear the voice of the Lord clearly. This month Heaven will back, doors will open for you and God will cause His face to shine upon you as you carry the glory of the Lord. In Jesus name.

You re blessed and highly favoured

'EMBER MONTH CONFESSIONS

In these 'ember months you will be free from challenges. You will walk in freedom. You will not die prematurely. Using Numbers 31:49 I declare that in these 'ember months everyone under my watch as a pastor, heaven will protect and keep you. No weapon formed against you shall prosper.

I prophesy on your household none will be missing. They will not look for you in September. You will not disappear in October. Death will not take you in November. In December you will be alive and in the New Year you will have a testimony.

So shall it be in Jesus' name.

BURNING ISSUES BY FAITH

Following a night of prayer, praise, worship and declarations.

Pastor Karl Dennis led the congregation into a time of burning issues that were affecting our lives.

We prayed as the fire of God burned every issue up.

LIVING MEMORY WORKSHOP

Kingdom Central members participated in recreating a photograph of the opening of the Sunday School.

OUR CHURCH OUTING TO RHYL IN WALES

We had a great time as a coach filled with seventy children, young people and adults visited Llandudno in Wales for our annual church outing.

The children had an amazing time swimming in the pool, eating lunch on the pier and competing with the seagulls trying to take their lunch from them. The day was filled with fun food and fellowship.

KICC BRISTOL PRAISE TABERNACLE COUPLE'S DINNER

On Saturday September 15th, KICC Bristol hosted their annual Couple's Dinner. This year the event featured guest speakers Pastor Dipo Oluyomi and Minister Peju Oluyomi. The theme of the event was "Irreconcilable Differences" and involved interactive sessions, a three-course meal, as well as powerful ministrations from our guest speakers. The congregation were left both challenged and inspired by the wisdom imparted.

TESTIMONIES

THE SPEECH THAT PROMOTED ME TO THE ROLE OF HEAD BOY

Good morning class.

I am filled with humility and honour to stand before you today. I've learnt during my time here at St Margaret Mary Primary School that there is so much more to things than just education. I want everyone to have a voice in this school. I want everyone to have an opportunity to share their views. I want to see everyone happy. To make these happen, I would like to be considered as head boy so that I can represent you during meetings and events. I am willing to give up my time for others, I find it easy to get along with other people and I will fight for what I believe is right. Please vote for me if you want our school- St Margaret Mary Primary School to be the best. Don't just vote for me because of my good looks. But vote for me because of my excellent decision-making skills.

Thank you.

GOD ANSWERS PRAYER

As I sat in church one Sunday my Pastor gave a call for the offering to be collected. Following this he also gave the call for anyone who was unemployed, going for interviews and facing other situations to come to the altar for prayer.

I was unemployed at this and despite feeling a little nervous and having no interview lined up, I decided to step forward for prayer. Approximately two weeks after being prayed for I was interviewed for the role of administrator in a Children Centre which I absolutely love because I am supporting children, young people and families. I want to thank the Lord for answered prayer and for promoting me to a higher position as a volunteer coordinator managerial role.
