**D**ecember is still your month of settlement and completion. God will crown what He started with miracles, rejoicing, mercy, goodness; favour, holiness and breakthrough. You will finish well. You will achieve. No weapon formed against you will ever prevail. God will make an utter end of all afflictions.

You will escape the traps of the enemy. Every danger at the end of the year shall not come near you. You shall not be overwhelmed by the trouble of the year. We decree there shall be no loss of life. Your household shall be visited with the blessings of the Lord. The treasures of the Lord from the four corners of the earth are coming into your house. Everyone in your household will do well.

As you are trusting God for the fulfilment of your prayers, thank Him. We have to learn to remember His goodness. God is dependable. It is because of His grace that we are here today. As the song says; count your blessings, name them one by one; and it will surprise you what the Lord has done. Thank Him for deliverance, provision, and protection; God has delivered you from situations you didn't even know about. KICC, lift your voice and thank Him, for He is a faithful God

Now that we are standing at the end of one year and looking to the beginning of a new one, we want to encourage you to get ready. You may have walked in 2018 but next year you are going to run.

To run is to go quickly and rapidly. You will run with grace, favour, joy, blessing and testimony. In 2019 you will run into great things, you will run into your testimony in the name of Jesus. Things are going to move so fast in 2019. Doors are going to open, God will favour you and He will work in your life in the name of Jesus.

We pray for you that in 2019 you will not be tired. God will strengthen you. You will get to the target and receive your testimony.

2019 is not the year to crawl or to walk, it is your year to run.

You are blessed and highly favoured,  
Senior Pastor Matthew & Resident Pastor Yemisi Ashimolowo

# TESTIMONIES

## DIVINE FAVOUR

**I** joined the Hospital Management Board Akure as an IT student in September 2015. In 2016 I was employed as the 10th temporary member of staff. On October 15th 2018, I was made a permanent member of staff – I was the first person!

We have people who have spent five to ten years in the organisation without being made permanent. Some staff even planned to protest as to why would I was made permanent as I was the last person to join as temporary staff. I give glory to God for making a way out for me.

## GOD IS MY PROTECTOR

**I** want to thank God for His faithfulness over me and my family. He delivered me from a fatal accident on Lagos-ore road. The bus was damaged but no life was lost. God fulfilled His word and there was nothing missing, or broken. In addition, my younger sister gained admission to Bayero University, Kano. I am so grateful to God for all this.

## WITH GOD NOTHING IS IMPOSSIBLE

**M**y testimony is in the area of employment. One Tuesday prayer meeting, Minister Yomi preached about the power of the Word of God in every area of our lives. We had a powerful and intense prayer and I tapped into the anointing and released the Word of God into my situation of

unemployment.

On Thursday, I had a phone call about a booking coordinator position. I was asked to come for an interview the next day. The interview was successful. The following, Tuesday I was offered a permanent position. I started the job on Tuesday 11th September 2018. Two weeks after, I was promoted to the recruitment management position.

On a Sunday service, Minister Yomi preached about the glory of God and quoted the scripture of Psalms 29: 1-11. He then prophesied that the Holy Spirit said that everyone who was on the list of failure, God has transferred them to the list of successful people.

I hold onto that prophetic word as I was expecting my results for my Master's Degree course in International Liaison and Communication. The following week, I got my results and I was successful. The glory of God has manifested His power in my life with favour of employment and a Master's Degree qualification. For with God nothing is impossible. All the glory and honour and adoration belong to God for His wonders and Mighty work in our life
