**H**appy New Year and welcome to 2019 – our year of Extravagant Blessings. God has been so good to us and we have so much to be grateful for. This month's bumper edition of Shout! is packed full with events that testify of God's goodness. During Watchnight we decreed that January would be the month when we'd experience new things. May you receive new zeal, new commitment, new friends, new fervency in prayer, new zeal for the house of God and new love for the brethren.

Every crooked thing in your life shall be straightened out. In this month there shall be no dryness. No dryness of prayer, praise, thanksgiving or knowledge. The draught is over. Your wilderness will begin to blossom and abundance will occur in your life.

The river of abundance will flow in your life. No evil, accident or violence is allowed in your life.

We declare that you will jubilate and celebrate. The Lord will upgrade His presence and anointing in your life this month.

Every blessing.

Senior Pastor Matthew & Resident Pastor Yemisi Ashimolowo
