THE MONTH OF JUNE DECLARATIONS

**Psalm 18:29, Psalm 144:1, Isaiah 10:27,
Micah 2:13, 1 Corinthians 10:13**

In this month of breakthroughs, by the anointing of God, I am breaking through.

For the rest of my life, I shall be a stranger to obstacles in the name of Jesus.

God will strengthen me on every side and He will create the desires He has for my life

The month of June shall be my month of restoration – elevation – creative miracles.

God will cause me to be strong.

He will bring breakthroughs into my life

The walls of wickedness and failure are removed for my sake.

I shall not more be contained – limited – pushed aside.

God will cause me to burst forward and multiply financially – materially – spiritually – maritally – emotionally – mentally – socially in the name of Jesus

Every obstacle shall receive the fire of God and every hindrance will be removed for my sake.

KICC THE LIGHTHOUSE'S FATHER2FATHER MINISTRY HONoured AT NATIONAL MENTORING AWARDS

In a bid to increase the proportion of children growing up with involved, responsible fathers, KICC The Lighthouse Resident minister Pastor Trevlyn Shillingford and Courtney Brown, of the branch's men's ministry, set up Father2Father. The organisation won an award at the prestigious National Mentoring Awards in honour of its work of supporting and providing adolescent boys, fathers and their families with mentorship, information, advice and guidance.

Courtney said "Young black males are often associated with 'underperformance' in the context of education and academic achievement. Yet despite these challenges, the young black men on this programme are working to overcome negative school experiences, see possibilities for their future and seek to transform school 'failure' into personal and educational 'success.' "We have seen amazing and improvements in the mentees behavior, in school, at home and their confident and determination to succeed has also risen," said Pastor Trevlyn. "A huge thanks to the men at KICC The Lighthouse that make reaching our lost boys and young men possible."

TESTIMONIES

We run a chain of childcare properties and one in particular had been rented for the last 7 years. The owners decided they wanted to sell the property for £1.2 million. My husband said “It’s over 1 million, therefore, we will not buy the property.”

During services I would cry out to God knowing that Pastor Matthew had always told us that he never buys property for the full asking price. Anytime he made this statement, I would scream Amen with all of my strength.

I held on to Philippians 1.6 “And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns,” handing the matter over to God.

The owner had a lot of interest from prospective buyers and developers but God knew best. My husband and I brought the property for £372,000 less than half the asking price.

Thank you Pastor Matthew and Pastor Yemisi. There would be no KICC without you. I would also like to say a big thank you to Pastor Ade, Pastor Esther and Pastor Dipo for helping me remain grounded. God bless you KICC.

On Tuesday 15th January, I went to St Bartholomew’s hospital for some tests. When I arrived, I was informed that I had been asked to attend the appointment because

they had found something on my left breast in a previous test.

They began a new series of tests including a vacuum breast biopsy. The doctor informed me that once other doctors had been consulted a final result would be given. At that point I said to the Lord “I believe that the result will be for the glory of Your name and I will testify.” I was given a results appointment for 24th January.

On Tuesday 22nd January during The Rain service, Pastor Matthew called people suffering from stomach pain and high blood pressure to the altar for prayer. I went forward for high blood pressure and Pastor Matthew asked everyone at the altar to place their left hand on their chest and he prayed. As he prayed saying “I rebuke the spirit of cancer.” I shouted a loud Amen, receiving this in Jesus’ name.

On 24th January I attended the hospital appointment with my son. After 45 minutes of waiting we were called in. The doctor explained the results and concluded “There is nothing to worry about. You do not have cancer.” I asked if she could repeat what she said. She did saying, “You don’t have cancer.” I shouted out “Thank you God! You are Jehovah on time.” I would also like to thank Pastor Matthew for the prayer at The Rain, Pastor Yemisi and Pastor Dipo. To God Almighty be all the Glory.
