Welcome to this month's issue of Shout! This is a bumper issue showing all of the awesome things that have taken place in Kingsway International Christian Centre during late August and September.

September has been the month of a New Song at KICC and God has indeed blessed us with songs of rejoicing.

As a church we recently celebrated our 25th anniversary and we are thanking God for the great things He has done in our midst. We are grateful. It is my prayer that in the next 25 years we will bring transformation to the minds of men; raise champions and leaders for nations; and experience a revival in KICC that will make all our achievements thus far a stepping stone to greater things.

You are blessed and highly favoured

TESTIMONIES

GOD CAN

I left Zimbabwe two years ago in search of a better life. When I arrived in Namibia I possessed my degree in Economics and not much else.

Not knowing anyone in the country I ended up sleeping in a car park until a good Samaritan, a security guard took me in. I spent some time in a shack made of corrugated iron and would walk everyday into the city to look for work.

I joined KICC and was taken in by the champion culture. I read Pastor Matthew's books and I was inspired to win in life. I tried a lot of jobs out of my own initiative and I took advantage of the associations I was exposed to in church. I soon joined a public speaking club. Now I am a sought after motivational speaker in Namibia. Out of my experiences

Tawanda Silas Chitiyo

I decided to write a book on leadership and motivation, entitled *Step out of your Shell*.

GOD IS FAITHFUL

I want to thank God for His faithfulness over the past five years. After leaving school, I was accepted into a top Dublin university and began my studies in pharmaceutical science.

Through God's grace and favour, I graduated this year with a first class. Before my final exams, I had applied for a job in The United Kingdom and on completion in June 2017, I was called for a job interview in Nottingham, England. That very day I was accepted for the job and asked to start immediately. I was also granted a paid holiday period to travel to the US before starting. God is so good!

WITH GOD ALL THINGS ARE POSSIBLE

When Pastor Matthew preached on 30 Reasons 'Why You Should own your Own Business', during IGOC 2016, my faith rose and I became determined to own my own business.

In January 2017, an enterprise office contacted me offering business start-up training and consultancy. During the time of the course I was offered an enterprise grant to start a business, and further grants to cover costs for up to two years, including accountancy fees, insurance, equipment and prepaid courses that were statutory for my business choice.

The Word in the house continued to push me to new heights as I made necessary decisions to progress the business. The word spoken in IGOC and in the House is truly inspirational and prophetic and I give God all the glory, Amen.

FROM GARAGE TO FOUR BEDROOM HOUSE

We came to Windhoek from a village in the Omusati region to study at the Namibia polytechnic in 2007. For the first three years we could only stay in a windowless garage, as that is all we could afford.

We then moved into a one-room property, which served as our bedroom, kitchen and living area. After many years of struggling with accommodation we eventually got a two-bedroomed flat.

We could not attend the first Power Hour Prayer of 2017 as it was the only time available for us to view the four bedroom house we now wanted to buy. There were many other people also lining up to view the property. We asked the church to stand with us in the prayer of agreement.

We liked the property and immediately made an offer. The asking price was N\$1.2million but our bank valued the house at N\$ 800,000. To the glory of the Lord we were favoured and eventually bought our four bedroom house at a discounted price.
