CONTENTS

Hello and welcome to this Month's issue of Shout! In KICC May was declared our month of marvellous things. We trust the Lord has been good to you.

May Psalm 98:1 be your testimony. May you continue to sing a new song to the Lord, for the marvellous things He is doing in your life, in Jesus' name.

Now that we are in June, our month of fasting and prayer, may we challenge you to keep your eyes on the Lord. The June Fasting & Prayer will be our season of revival. According to Habakkuk 3:2 (NKJV), may God revive your spirit. May He do a new thing in your life.

We declare that in June, by your God you shall leap over a wall. You will breakthrough. You shall be a stranger to failure; a stranger to obstacles. God will strengthen you on every side. He is making your desires come to pass.

There shall be restoration, elevation and creative miracles. God will cause you to be strong. Wickedness and failure are removed for your sake. You shall not be contained. You shall not be limited. You shall not be put aside.

In June you're going forward you will multiply financially, materially, spiritually, maritally, emotionally, mentally, spiritually and socially in Jesus' name.

You are blessed and highly favoured

KICC WOLVERHAMPTON ONE YEAR ANNIVERSARY

THE LORD IS MY PROTECTOR

I would like to testify of the goodness of our Lord; His grace, His goodness and His protection are sufficient.

I have been a member of KICC for many years and God has done many miracles in my life. However, this miracle surpasses every other miracle!

During the recent Easter break I went to a boxing event with friends and family. Afterwards I took my cousin to his home in North London.

As I was driving back home, along Tottenham High Street, I suddenly heard shooting. To my surprise I saw a young teenage boy directly opposite me, on the other side of the road, shooting a real hand gun at a group of people.

I panicked and just drove further down the road. I called my cousin and told him about the shooting. I told him not to leave the house that night.

While I was still talking to my cousin I stopped at a red light. Suddenly, I heard a loud bang! A large 4x4 vehicle drove into the back of my car and drove off at very high speed. Seconds later there were more gun shots and loud banging as the bullets were piercing through cars and metal on the road side.

I turned to the right hand side and I saw the same gunman as before, now in a vehicle with a gang. They were shooting in my direction – they were shooting at a rival gang in a car just behind me.

I wanted to drive away but I couldn't because my car was now stuck in road works after being hit. A bullet hit my car, people were screaming and running around in a panic, some were running into their homes. More gangs were arriving with guns. I decided that if I was going to die that night, it wouldn't be in my car in a crossfire of bullets.

I decided to leave my car and run for my life. I jumped out of my car and ran down the road

looking for a bush to hide in. As I was running a gunman was directly behind me, shooting his gun repeatedly. As I was running away from the crossfire he saw me but at the same time he never saw me. This was surely God's intervention, I can't even explain it; it was as though I was suddenly invisible to them.

I kept running, I didn't know if they were going to mistake me for someone else. As I was running past the gunmen everything happened so fast. I was talking to God and thinking unfortunately my time may be up. I was asking God why do I have to die like this? What about my family? But God is a miracle worker. He protected me and covered me during the whole situation. I escaped unharmed and no innocent member of the public died that night.

Unfortunately the same gang took the life of another young teenage girl just two days later. I want to encourage the church to continue praying for our youths in London, UK.

GOD IS OUR VERY PRESENT HELP

I want to thank God for His love and mercy. Some time ago, my younger brother was arrested for a crime he knew nothing about. Despite the fact that he had an alibi, the anti-robbery squad (SARS) picked him up and he was charged. We employed lawyers, but to no avail.

However, one particular Sunday several declarations were made during service, and I trusted God for His release.

After this service, I received a call to say that my brother had been discharged and acquitted. He was released. Praise God!
