#KICCREVIVAL

KICC FASTING GUIDELINES:

Kingsway International Christian Centre believes in fasting. In both the Old and New Testaments we see a scriptural basis for fasting.

EXAMPLES OF OLD TESTAMENT FASTING:

(a) Moses fasted and brought deliverance to Israel.
Deuteronomy 9:9-18

(b) David fasted in repentance before God when he committed the sin of adultery.
2 Sam 12:1-23

(c) Daniel fasted to receive revelation from God.
Daniel 10:1-3

(d) Elijah fasted and experienced great anointing.
1 Kings 19:4-8

EXAMPLES OF NEW TESTAMENT FASTING:

(a) Jesus fasted when He was on earth and so did His disciples.
Matthew 4:1-2, Luke 4:1

(b) History reveals that fasting has been practiced in church throughout antiquity and in the days of restoration. Accounts show that Luther, Calvin and Knox all fasted

regularly.

IMPORTANT GUIDELINES TO CONSIDER:

Whilst as a church we believe in fasting, before anyone embarks on a period of abstinence from food the following are important guidelines to consider.

(a) Fasting for a long period of time, for example 30 or 60 days, does not mean abstinence from food for the complete period of time, that is, 24 hours or longer.

(b) The fast can be broken at any time during the day, provided the individual feels they have prayed sufficiently.

(c) If an individual is taking medication or pregnant, we advise they seek medical counsel before fasting.

(d) In cases of fasting for more than a half day, it is advisable to drink fluid especially water.

(e) Children under the age of 16 are not advised to go on long periods of fasting without the consent and supervision of their parents or carer.

GUIDELINES FOR FASTING:

It is important to understand the helpful

guidelines that under-pin the exercise of fasting, especially for longer periods like the thirty day fast we are embarking on. These guidelines are as follows:

1. ATTITUDES:

(a) Purity of speech and living is crucial during a period of fasting.
Ephesians 4:29
Colossians 3:8
1 Peter 1:14-15; 3:10-12
Romans 12:2

(b) Fasting should also be carried out with a heart of compassion. The heart of compassion is reflected in distributing the saved food to the needy and less fortunate.

(c) Going back to eat all the saved food during fasting not only negates the purpose of fasting but also suggests that no discipline was achieved during the period of fasting. As a result, the human body can experience an explosion in size.

2. LENGTH OF TIME:

The length of your fast should be determined by what you desire to receive and what the need is. It is important to fast until you truly feel that what you have made a sacrifice for as you wait on God has been achieved.

3. PREPARATION FOR FASTING:

It is unadvisable to fast for a long period of time without preparing the body first. It is possible for the body to go for long periods of time without food but not without water.

4. MEDICAL OBSERVATIONS:

It is extremely important that you talk to your doctor before engaging in fasting that requires more than 24 hours without food so that the name of the Lord is not brought into disrepute.

FOUR RULES OF FASTING:

1. Fasting should be carried out with a heart of compassion
Isaiah 58:7b; c

2. Saved food during a period of fasting should be distributed or its money equivalent given to the needy and less fortunate.
Isaiah 58:7a

3. Fasting should be for a set time. The length of your fast should be determined by what you desire to receive and what the need is.
Esther 4:16
I Chronicles 10:12
Matthew 4:2

4. Professional medical advice is needed for fasting without food for more

than 24 hours so that the name of the Lord is not brought into disrepute.
I Corinthians 14:20
