WELCOME

What is greatness and how do you define someone who is 'great'? The truth is that greatness isn't limited to status. Greatness is an inner quality. It is the essence of who you are in God. Your greatness is qualified by the God that you serve. You are called to a life of distinction. A life of pre-eminence, importance and prestige. You possess the ability to touch others and make an unforgettable impact on your generation.

All women, irrespective of their age, are made for greatness and at this year's Winning Women Convention we are going to step out in faith and trust that as God has called us, He will make His

greatness manifest through us.

Be sure to join in the fun at the Greatness Hub on Saturday. You will be blessed by powerful worship, inspiring teaching, a cutting edge word and so much more.

Don't delay, book your time off work and bring your friends and family. It's time to discover and release the greatness of God in you.
