

THEME: PRINCIPLE OF GIVING
TITLE: GIVING: THE KEY TO INCREASE PART 1
TEXT: PROVERBS 3:13-18; 11:24-25; 2 CORINTHIANS 9:6-8

Introduction

Someone beautifully wrote 'There are six friends that taught me all I needed to know. Who? What? When? Why? Where? and How? We will be calling on four of those friends to help us in our study today as we consider the topic that "Giving is the key to increase."

Remember this. Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. **(2 Corinthians 9:6-8).**

1. Why do we give? (Luke 6:38; Proverbs 11:24-26)
'Why?' always probes the reasons behind our actions; the motivation for the heart. **Q: What would you describe as the reasons why we give?**

2. What do we give? (Matthew 25:14-30; Ephesians 5:16; Luke 12:32-34) 'What' seeks to understand the values of our giving?
Q: What are the three key things mentioned in the above text that we always give?

3. How do we give? (2 Corinthians 9:6-7; Ecclesiastes 11:1)
Attitudes! Attitudes!! Attitudes! They give away the 'notion behind our action'. **Q: What should our attitude be every time we give?**

4. When do we give? (Isaiah 55:10; Malachi 3:8-12)
If giving is compared to a seed, then every time a man gives he has set in motion a cycle that will culminate in harvest.
Q: Which three instances were highlighted for giving?

Conclusion

The Bible is the final authority for all things and the means by which God provides principles for living in a way that protects from harmful thinking and behaviour.

Giving is a lifestyle just as breathing. Principles that work in life work naturally without human intervention. All we need to do is find out what principles operates in any area of our life and align ourselves with it. Our study today sheds light on the fact that Giving is the principle for Increase.
