FASTING GUIDELINES

Kingsway International Christian Centre believes in fasting. In both the Old and New Testaments we see a scriptural basis for fasting.

EXAMPLES OF OLD TESTAMENT FASTING:

Moses fasted and brought deliverance to Israel.

Deuteronomy 9:9-18

(a) David fasted in repentance before God when he committed the sin of adultery. 2 Sam 12:1-23

(b) Daniel fasted to receive revelation from God. Daniel 10:1-3

(c) Elijah fasted and experienced great anointing. 1 Kings 19:4-8

EXAMPLES OF NEW TESTAMENT FASTING:

(a) Jesus fasted when He was on earth and so did His disciples. Matthew 4:1-2

(b) History reveals that fasting has been practiced in church throughout antiquity and in the days of restoration. Accounts show that Luther, Calvin and Knox all fasted regularly.

IMPORTANT GUIDELINES TO CONSIDER:

Whilst as a church we believe in fasting, before embarking on abstinence from food, consider these important guidelines:-

(a) Fasting for 30 days does not mean abstaining from food for periods of 24 hours

or more.

(b) You can break your fast at any time daily providing you feel you prayed sufficiently.

(c) If you are pregnant or prescribed medicine seek medical advice before fasting.

(d) Drink plenty of water or fluid when fasting for more than half a day.

(e) Children under 16 should not fast for long periods without parental consent and guidance.

GUIDELINES FOR FASTING:

It is important to understand the helpful guidelines that under-pin the exercise of fasting, especially for a longer period like the thirty days fasting we are embarking on. These guidelines are as follows:

1. ATTITUDES:

(a) Purity of speech and living is crucial during a period of fasting. **Ephesians 4:29,**

Colossians 3:8, I Peter

1:14-15; 3:10-12,

Romans 12:2

(b) Fasting should also be carried out with a heart of compassion. The heart of compassion is reflected in distributing the saved food to the needy and less fortunate.

(c) Going back to eat all the saved food during fasting not only negates the purpose of fasting but also suggests that no discipline was achieved during the period of fasting. As a result, the human body can experience an explosion in size.

2. LENGTH OF TIME:

The length of your fast should be determined by what you desire to receive and what the need is. It is important to fast until you truly feel that what you have made a sacrifice for as you wait on God has been achieved.

3. PREPARATION FOR FASTING:

It is advisable to prepare your body for long periods of fasting by drinking plenty of water before commencing your fast.

4. MEDICAL OBSERVATIONS:

It is important that you talk to your doctor before fasting for more than 24 hours without food so as not to bring the Lord's name into disrepute.

FOUR RULES OF FASTING:

(1) Fasting should be

carried out with a heart of compassion. Isaiah 58:7b; c

(2) Saved food during a period of fasting should be distributed or its money equivalent given to the needy and less fortunate. Isaiah 58:7a

(3) Fasting should be for a set time. The length of your fast should be determined by what you desire to receive and what the need is. Esther 4:16, I Chronicles 10:12, Matthew 4:2

(4) Professional medical advice is needed for fasting that requires more than 24
