

TOPIC: THE POWER OF FELLOWSHIP PART 2
TEXT: 2 CORINTHIANS 6: 14; 1 JOHN 1:7; PSALM 133:1; JOHN 13:35

INTRODUCTION

As we continue our study today, there are a couple of reasons why it's important for us to fellowship with other believers; it helps express love to one another and it encourages good works.

A third important reason for Christian fellowship is its impact on unbelievers. Jesus told His disciples, "By this all people will know that you are my disciples, if you have love for one another" (John 13:35). The love Christians have for one another can influence others toward faith in Jesus Christ.

Still another important reason for Christian fellowship is the ability to pray together. Early believers were committed to prayer, both individually and in groups. In James 5:14-16 elders were called together to pray for the sick as well as for those who had sinned. This required being together.

Why do we need to fellowship?

7. We need to benefit from the gifts of others and serve others with our gifts.
1 Peter 4:10-11; 1 John 4:20; Acts 4:32-35

Q: In what way do we use our gifts to serve one another?

8. We need brothers and sisters to pray for us and they need us to pray for them. **James 5:16; Colossians 1:9**

Q: What is the real effect of us praying for one another?

9. We need to be taught and fed with God's Word and equipped by pastors and teachers. **1 Corinthians 12:28; Ephesians 4:11; 1 Peter 5:1-3**

Q: Why do you think it's important to be taught by pastors and teachers?

10. We need to stand together as a group of people and witness to unbelievers. **John 13:35; Act 4:32-35**

Q: Is the phrase 'strength in numbers' applicable in this context?

11. We need to love others, bear with the weak and help new believers – **Romans 15:2. 1 Thessalonians 5:14**

Q: In what ways do we 'take tender care of those who are weak'?

12. We need to be part of a church for the sake of our children. **Ephesian 6:4, Psalm 78:4**

Q: In what way is our commitment to a local church helpful to our household?

CONCLUSION

The objective of this study is to help us as believers today to recognise the importance of fellowship or local church involvement. Christian fellowship is essential to spiritual growth. Many aspects of our spiritual lives depend on being together with other believers to encourage, teach, serve, and share life together.

As we conclude this study I will once again reiterate the need for us to practice this outstanding spiritual trait whenever and whenever we can.
