

## WATERBROOK REVIVAL PROPHETIC DECLARATION 15 PROPHETIC WORDS FOR KICC

1. Get ready for an incredible transfer of wealth. Some people are just going to find that vehicles that bring wealth are transferred into their hands.
2. This year is going to be a year of spontaneous healing. We will not need to hold a healing service. People will experience healing not only in the United Kingdom but throughout KICC.
3. There is going to be a recovery of time and a recovery of things.
4. Some people in KICC will find that God is moving them to step out of the old into the new. You will suddenly see that there's a shift. When God begins to wreck your old house do not hold onto it. Remember He said.
5. This is going to be the year when God is going to build a bridge that will lead you into a new season. In the middle of the year God will give you a new season. The bridge can be a person, an experience. It will change everything for you. Prepare your mind and prepare your Spirit not to miss it.
6. There will be the blooming of the vision that God has given you. You will just see it and begin to say 'I saw this and this was laid on my heart.' You have been in a place where it has not happened but suddenly it will begin to happen.
7. For those of us who are hungry, it is going to be a year of a deeper walk with God. A year when some of the nights you wanted to sleep 8 hours but the Holy Spirit interrupted you and you only slept four or five hours. Those five hours will be like ten hours. He will speak to you, He will guide you and teach you things. He will open your eyes. Revelation 4:1 says 'After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter.' A deeper walk will make you step into portals and will make you move into places you have never been.

## REVIVAL

8. The vision God gave you will speak this year. Habakkuk 2:1 'I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me...' it is a very unique verse. God is saying "Stop. See. Say." Everything God has been saying to you will happen. Don't let the devil bow your head for you will see what God has said.
9. This is the time when double blessings will replace double trouble. The year 2020 is going to be double, double. 10 is the number of multiplication abundance and increase. When it is now 20 it is double of multiplication, abundance and increase.
10. Keep your prophetic connection to get your prophetic collection. 2 Chronicles 20:20 says 'Believe in the Lord your God, so shall ye be established; believe his prophets, so shall ye prosper.'
11. There will be personal and corporate encounters with God, Jesus, Angels and the Holy Spirit. You will encounter a practical visitation. Get ready because it will come to pass. I say again it will come to pass.
12. The younger generation in our midst will have an awakening. Revival is going to break out among the young people in KICC and it will spread out beyond KICC and this awakening will be Spiritual, academic, political and entrepreneurial. There will be young people in this house who will start business that command attention that exceeds that which their fathers have ever done.
13. There will be the shattering of the ceilings that have held you down.
14. Many loose ends will come together so that there will be fulfilment. There will be finality and there will be closure. This is a prophetic word a sword to use to fight with. Go and claim what belongs to you.
15. This is the decade when everything changes for you.
