

# ALL CLEAR

I had been limping for more than a year. I recently went for an x-ray and was told I had arthritis on my right knee. I put it down to old age. During one of the Waterbrook Revival services I was in serious pain. As the praise and worship was going on I sat down there praying for healing. When Pastor Matthew took to the altar he called out those who required physical healing.

I was the first person to run (not sure how this happened) to the altar. Pastor Matthew prayed for all of us. I received not only my healing for arthritis but also for a migraine headache.

The next evening Pastor Mathew called out those who were healed the previous evening. I had stopped limping and the pain was minimal. Again Pastor Matthew prayed.

I was due to attend my local hospital for more tests and an MRI scan. When I went to the appointment they found no arthritis and my brain scan was also clear. I love that Jesus is always with us, praying for us and keeping us.

Thank you Lord.

## MIRACLES HEALINGS & BREAKTHROUGHS TESTIMONIES

JUNE 2020

# FEARLESS FAITH

One evening in March, I started coughing as soon as I returned from work. It got progressively worse as the night went on. It was so much that I coughed through the night, as my wife confirmed the following morning.

Consequently, I isolated myself in my bedroom, in order not to worry my wife. I continued to reassure her that it was just a cold/flu-like symptom, which I truly believed I would overcome. Eventually I felt acute pain that I could not stand.

A few days later I tuned into the KICC lived streamed services - Life Class, 11am and evening service. I thank God for Pastor Matthew teaching on 'Fearless Faith.' It was a perfect word in season and I thank the Most High God for making me an overcomer through His mercy.

I thank God for giving me healing and victory.

May He continue to spread His blanket of mercy and forgiveness to us all in the mighty name of Jesus Christ.

Thank you Lord.

# DIVINE PROTECTION

Towards the end of an evening service at KICC, we got a call. They informed us that a fire was burning in the shop next to ours.

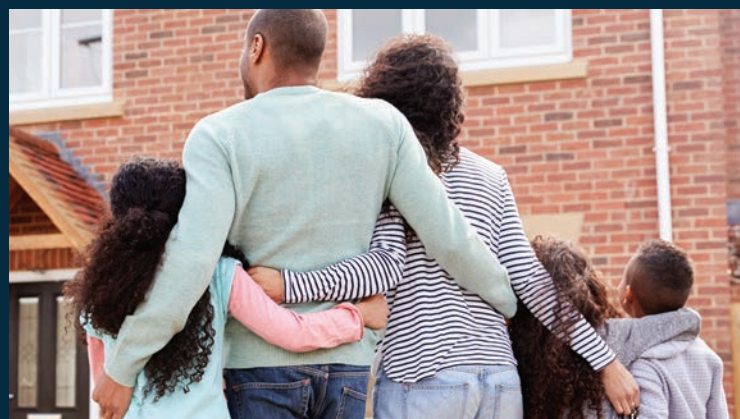

We rushed to the premises and thankfully the fire brigade were able to put the fire out before we arrived. It looked really bad but we began to thank God because Pastor Matthew during a

Morning Glow service mentioned that he had seen a fire incident in his spirit and prayed against it.

We bless God for His protection and grace.

Thank you Pastor Matthew for the prayers.

Last year I completed my 11+ exams and with God's help I passed them all. I became worried not knowing if I would get into my school of choice. I decided to pray and God spoke to me. He called my name and said "don't worry as it will end well." I told my

mum and she hugged me and we prayed together. From that moment I was filled with joy and hope. On 2nd March I was accepted to my first choice grammar school. I was very happy and praised God Almighty for answering my prayers. It is in my heart to say
