## MAKE YOUR OWN TELESCOPE

If you want a better view of birds, treetops, or even the night sky, you and your family can build your own simple telescope. Use this make-it-yourself device to explore the world. Keep a diary of what you see over the course of one week and share it with us at ENN.

### YOU WILL NEED

- Two empty paper towel tubes
- Scissors
- Masking tape
- Paint, markers, or crayons to decorate your telescope
- 2 magnifying glasses or 2 convex lenses from old reading glasses (please don't grab the first pair of glasses you see! Do ask for permission first). Ask your grown up to help you remove the lenses from the frame. Make sure the glasses are reading glasses and not glasses for helping to see things far away.

# SERVING OUR NEIGHBOUR

## Who is a hero?

When someone is stuck at sea and runs into difficulty the emergency coast guard are called to the rescue. When a building is burning, like the Grenfell tower in London 3 years ago, the firefighters were called to the rescue. When someone is sick or badly hurt an ambulance is called. Recently, a lot of us came out every Thursday evening at 8:00pm to clap for key workers who were serving our country in lots of different ways during the

lockdown. True servant-heroes help the hurting and lonely. No one has been a bigger and better servant than Jesus and he has had help from His servant-heroes throughout

history. One of such servants in particular who became famous for helping the hurting and lonely is Mother Theresa. This lady spent her entire life helping people no one else wanted to help, just like

the Good Samaritan in the Bible. She achieved so much and got a lot of awards, but she always replied 'I'm a little pencil in the hand of a writing God who is sending a love letter to the world'.

God wants us to serve Him with all our heart and strength and to love our neighbours as ourselves. When asked who our neighbour is, Jesus told the story of the Good Samaritan.

The Samaritan helped the man who no one wanted to help, he picked him up and took him to be nursed and paid for it. Jesus at the end of the story said for us to go and do the same.

(Read Luke 10:25-37 and watch this video.)

So this week, kids, let's be a servant for God, take the challenge to encourage someone with a kind note or a bible verse, send a message to a friend, an relative or neighbour who maybe lonely. Give a gift, a handmade card; be creative. Every day of this coming week, make a list and do one thing a day for someone. Share your log/list with us. Serving others is a way to be great in God's eyes. Jesus told his disciples that the greatest among them is the one who is a servant of all (Read Mark 9:34-35).

# SERVING STARTS AT HOME

**D**ad stood by the kitchen door and watched his Justin washing the dishes, he could hear him grumbling under his voice, saying, “why do I always have to do the washing up, it isn’t fair”. Dad smiled and said to Justin, I used to grumble like that when I was your age and your Grandma would tell me “the chores had to be done whether I liked it or not”. He told Justin how his Grandma would inspect every dish washed, bed made or floor swept and call him back to do it again if it wasn’t done to her level of perfection. “Why was grandma so fussy about things being done like that?” asked Justin. Dad said, “Think about what I do as a brain surgeon. If I hadn’t obeyed my mum to do things well, maybe I would be forgetting my surgical instruments inside patients!” He laughed. “And I certainly wouldn’t be not be very good at performing operations on people’s brains! They both laughed.

“Grandma always reminded me that the most important thing to do was to start my day with prayer and to pay attention to detail. She would constantly say, it’s what makes the difference between being ordinary and extraordinary. Growing up I tried to remember her words and now, by

God’s grace, I am able to notice the smallest detail when operating on my patients. This is what makes me very good at my job.

Justin thought about what Dad said, and remembered a Bible story about David and Goliath. David had obeyed his father by taking food to his brothers in the battle and he didn’t complain, he just simply obeyed. If he hadn’t gone, who would have killed Goliath? God had prepared David for this battle by helping him kill a lion and bear while looking after his father’s sheep.

Justin realised that serving begins at home. It is the foundation for greater things. If you are disobedient or don’t carry out tasks with a good attitude, you are unlikely

to be given more important responsibilities.

God wants to use each one of us to carry out great works. Remember this - whatever skills you are being taught at home, school or elsewhere are worth learning. God will use these to prepare you for greater things, just like he did with David.

“What other chores could I help with, dad?” asked Justin as he thought “I wonder what great plans God has for me in the future?”

“I can’t wait to find out!”
