KICC FASTING GUIDELINES

Kingsway International Christian Centre believes in fasting.

In both the Old & New Testaments we see a scriptural basis for fasting.

EXAMPLES OF OLD TESTAMENT FASTING:

- (a) Moses fasted & brought deliverance to Israel.
- (b) David fasted in repentance before God when he committed the sin of adultery.
- (c) Daniel fasted to receive revelation from God.
- (d) Elijah fasted & experienced great anointing.

EXAMPLES OF NEW TESTAMENT FASTING:

- (a) Jesus fasted when He was on earth & so did His disciples.
- (b) Church history reveals that fasting was practised through the church ages & in the days of restoration. Accounts show that Luther, Calvin & Knox all fasted regularly.

IMPORTANT GUIDELINES TO CONSIDER:

Whilst as a Church we believe in fasting, before anyone embarks on a period of abstinence from food the following are important guidelines to consider.

- (a) Fasting for a long period of time, for example 30 or 60 days, does not mean abstinence from food for the complete period of time, that is, 24 hours or longer.
- (b) An individual can break at any time during the day, providing they feel they have prayed sufficiently.
- (c) If an individual is on medication or is pregnant, we advise that they seek medical counsel.
- (d) In cases of fasting for more than a half day, it is advisable to drink fluid, for example water.
- (e) Children under the age of 16 are not advised to go on long periods of fasting without supervision & consent of parents.

GUIDELINES FOR FASTING:

It is important to understand the helpful guidelines that under-pins the exercise of fasting, especially for a longer period like the thirty days fasting we are embarking on. These guidelines are as follows:

1. ATTITUDES:

- (a) Purity of speech & living is crucial during a period of fasting.

Ephesians 4:29

Colossians 3:8

I Peter 3:10-12

Romans 12:2

I Peter 1:14-15

- (b) Fasting should also be carried out with a heart of compassion. The heart of compassion is reflected in distributing the saved food to the needy & less fortunate. Going back to eat all the saved food during fasting not only negates the purpose of fasting, but also suggests that no discipline was achieved during the period of fasting. As a result, the human body can experience an explosion in size.

2. LENGTH OF TIME:

The length of your fast should be determined by what you desire to receive & what the need is. It is important to fast until you truly feel that what you have made a sacrifice for, as you wait on God, has been achieved.

3. PREPARATION FOR FASTING:

It is not advisable to fast for a long period of time without preparing the body first. It is possible for the body to go for a long period of time without food, but not without water.

4. MEDICAL OBSERVATIONS:

It is extremely important that you talk to your doctor, before engaging in fasting that requires more than 24 hours without food, so that the name of the Lord is not brought into disrepute.

KNOWING HOW TO FAST: FOUR RULES OF FASTING

1. Fasting should be carried out with a heart of compassion. **Isaiah 58:7b, c**
2. Saved food during a period of fasting should be distributed or its

money equivalent given to the needy & less fortunate. **Isaiah 58:7a**

3. Fasting should be for a set time. **Esther 4:16 I Chronicles 10:12 Matthew 4:2**

The length of your fast should be determined by what you desire to receive & what the need is.

4. Professional medical advice is needed for fasting that requires more than 24 hours without food, so that the name of the Lord is not brought into disrepute. **I Corinthians 14:20 KJV**
