

HEALING, BREAKTHROUGH & JOY

I had been suffering with pain in my gum for more than a week and was trying to figure out how to treat it as it didn't seem to be getting any better. One day during Morning Glow, Pastor Matthew prayed for people with painful gums. I placed my hand over the area affected, received the word went about my business and forgot about it. It was a few days later that I realised the pain had gone. Hallelujah!

I have a property where two tenths of my tenants have left due to the financial implications of the pandemic. I agreed to lower the rent for the remaining tenant as she had lost her job. Last month I checked my account and noted that she had failed to pay the rent. I was about to construct a text to ask why the rent hadn't been paid but the Holy Spirit stopped me in my tracks. Instead, I reported the matter to God and decided to pay the tithe on the rent that was due. The following day the rent was paid. Thank you Jesus.

Morning Glow is such a blessing to me and has provided another testimony. One morning Pastor

Matthew declared many prophecies regarding business success. The following Sunday Pastor Matthew made many more business prophecies. I believed and received them all in the name of Jesus. The following week without soliciting any companies I received emails and texts offering me contracts and opportunities for public engagements. I thank God for His blessings and favour on my life. Thank you Pastor Matthew. All honour and glory to God Almighty.

MIRACLES HEALINGS & BREAKTHROUGHS TESTIMONIES

GOD HEALED OUR SON

I want to testify of Jehovah Rapha's healing power. One day my son came back from school.

He sat at the table preparing to do his homework when he started complaining about a pain in his lower abdomen. He started screaming out in pain. I immediately anointed him, spoke a healing scripture over him and rushed him to hospital.

The doctor examined him and transferred him to a children's hospital. The next morning, I connected to Morning Glow. Pastor Matthew prophesied healing and I received my son's healing. I took communion and started to worship. Pastor Matthew had recently taught us about the presence of angels and

I just knew that angels were present. There was a peace in the hospital room and staff favoured my son.

The doctor who examined my son, said "what we thought was going to be serious was just a minor problem." God has healed him totally. I am overjoyed and filled with gratitude. I am just so grateful to God for His speedy recovery. Nothing lost, nothing missing.

BY HIS GRACE

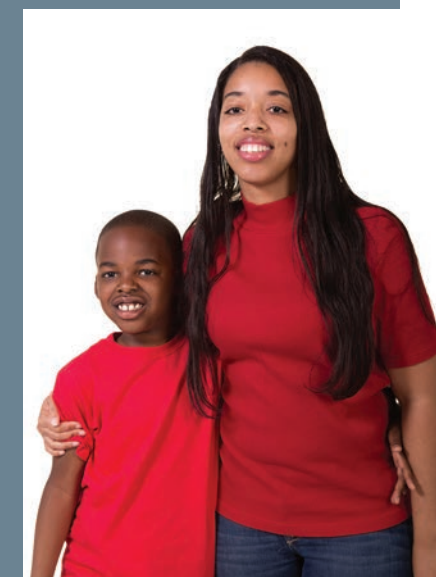

I attended a mainstream secondary school and after the completion of my GCSE's, I applied to several grammar schools. I was unsuccessful. Instead, the schools wanted me to change my desired subjects. If I changed subjects, I would not be able to study the course I wanted to at university. I almost gave up hope but I didn't. I shed tears for days, feeling sad and angry when I did not get into the school that was my first choice. I didn't have a second choice but I tried other grammar schools and prayed continuously. To God be the glory, I went for a meeting with the head of one of the schools and they decided to

grant me admission. God made a way for me where there seemed to be no way. He is my heavenly Father and He knows what is best for me. I trust and believe that He has a plan for me. Thank you Jesus Christ.

I also thank God, as my brother passed his 11+ exam. It was by the grace of God and we return all glory to God. Thank you Pastor Matthew, KICC is raising champions.

The Word of God says...
Blessed is the man that trusteth in the Lord, and whose hope the Lord is. ⁸ For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit. **Jeremiah 17:7-8**

THE HOLY SPIRIT SAID “MOVE AWAY”

A few weeks ago, on Morning Glow Pastor Matthew said he felt strongly that the Lord said he should switch the topic of that week to ‘Divine Intervention.’ I thank God Pastor Matthew obeyed and I keyed into every prayer, mentioning the names of my immediate and wider family so they would receive God’s intervention in their lives.

move away from where he stood. The moment he moved away, two cars swung off the road and smashed into the very place where he was standing. In his own words, he would have been torn to pieces. To the glory of God, this demonic attack did not prevail. Both my brother and another family member who was also sitting in the car, walked away without a scratch.

Fast forward this past weekend, my brother in Ghana was travelling with a family member to meet our mum. According to him, his car overheated so he parked the car and attended to it. Whilst attending to his car my brother said he heard a voice tell him to

Unfortunately, the victims of the other cars were hurt and we pray that the Lord will heal them. Words cannot express our gratitude to God for saving their lives. God bless you all and thank you.

PROPHECIES FULFILLED

12 months’. I found out the charges totalled £320. The bank confirmed they would credit my account with £300! I have never had a testimony like this before! Usually, the bank takes or only gives back when they have made an error, for them to volunteer to give back something they do not owe me is definitely the hand of God. Thank you Heavenly Father.

I would like to thank God for the Morning Glow. I don’t know when it happened but I am permanently healed of the athlete’s foot that I’ve had for the past 10 years. This is a great victory. God bless you Pastor Matthew for your continuous prophecies and prayers. May you go from glory to glory and strength to strength in Jesus’ Name.

POWER FLOWED FROM THE EVENING SERVICE

My sister had excessive fluid in her organs. She had to have a medical procedure three times a week to clear it. However, during a Sunday evening service Pastor Matthew prayed for people with fluid in their organs. Since then the fluid has stopped. No more procedures. We thank Almighty God. God bless you Pastor Matthew.

GOD TURNED THINGS AROUND

I return all the glory to God and thank Pastor Matthew for all the services during lockdown. I was given a letter of termination from my employer and instructed that I would be paid all my benefits as I had worked there for 8 years and 11 months.

However, the payment was not made. I watched Morning Glow every morning believing the prophecies on celebration and thanksgiving. I was broken and dejected. Instead of me fighting I left everything in the hand of God.

To the glory of God, I got another job far better than the previous one and then my previous employer made the benefit payment, without me even contacting them.

Glory be to Almighty God, He showed up in His miraculous way.

DOUBLE BLESSING

I want to thank God for what He has done in my life. During a Morning Glow service Pastor Matthew prayed for financial increase and I claimed it. At the end of September my salary was increased by double its original amount. I want to give God all the glory for what He has done in my life. God bless you Pastor Mathew, your oil of Anointing will never run dry.
