

NO LOSS!

For roughly 3 months, someone wanted to con me out of a piece of land and some money by suggesting that I should give them the original title deed to the land; the person also insisted that the office responsible for selling me the land, demanded an extra lump sum of cash (R15, 000, 00) in order to secure the land for us.

I remember being very tearful and stressed out. In one of the Morning Glow services, Pastor Matthew cursed the hand of the devourer. He even said that the enemy would be put to shame. Pastor Matthew even went as far as to say that someone was going to celebrate.

After that, I had a dream that I had a massive, flat cake. The cake was so big that I could not carry it and therefore had to fold it to be able to carry it. I called my relative abroad and asked her about the land issue and the money. My niece swore to

me on the phone that she did not know the sudden setbacks that her partner had been informing me of. That's when it became crystal clear that my niece's partner wanted to con me. Later on, he sent me an email advising me not to bother about all that he had brought to my attention. The tone of this email suggested that his initial claims were not true.

I thank God for his grace and mercy because in the end I did

in fact celebrate as the hand of the devourer was cursed and the person was exposed. I didn't need to send any money after the exposure nor did I lose my land.

RAISING CHAMPIONS

At my son's parents evening, all his teachers- including the head of the year, stated that my son was a pleasure to teach and work with, due to his exemplary conduct and behaviour. They also stated that they have high expectations for him in his GCSE exams next year, and estimate that he will achieve all A's. I believe my family has tapped into the prophecy

by Pastor Matthew that KICC is raising champions. Thank you Pastor Matthew for speaking into the lives of our children.

MIRACLES HEALINGS & BREAKTHROUGHS TESTIMONIES

AUGUST 2021

DEBT CANCELED

confirming the date set for the court hearing. It was for July. I was so stressed as they were determined to carry out the eviction proceedings. I sought legal counsel. Letters were written but no one replied. I prayed and fasted.

At the end of the Fasting and Prayer time in June, I received a letter from the landlord confirming that my rent account had been credited. The amount was more than the disputed amount and actually, I would not be required to pay any rent for almost a year! How amazing is God!

Thank you Pastor Ashimolowo for stretching our faith and helping us to believe that God still does miracles today. May God bless you, Pastor Yemisy and your family with a thousand times more blessings greater than Ephraim and Manasah. Also; I have slain the Bible challenge and this month by nearly reading it twice.

O.S

In January 2021 I received a letter saying that I would be taken to court and evicted because of rent arrears. I couldn't understand this because last year the rent team had been trying to

recalculate the rent. I wrote to them again for clarification because there were several errors. They failed to reply and gave me the run-around.

In April I received a letter

ATOMIC HEALING

I am 68 and have been suffering from knee joint pain on both knees for 5 years plus. The pain in my left knee was so much. I can't even walk about the house freely. Pain killers do not help me again.

Directly after the prayers session, I began to walk around my house without pain. Even as I write this testimony the pain has not returned. Hallelujah, I am free. I return all the Glory to God.

On the first Atomic Prayer Night, Pastor Matthew prophesied "someone is being healed of arthritis on the left knee." I instantly claimed the prophecy.

Thank you, pastor Matthew, for your service to God and humanity.

NO MORE PAIN!

Posed by model

Back in April, I was out by the river Thames in London. I started to have terrible lower back pain. By the next morning, the pain was excruciating and I could not get out of bed and because of this, I was unable to go to church. Eventually, I took some painkillers and the pain

slightly subsided so I was able to move a little.

The pain returned full force the following Monday morning. I was in agony but did not want to take any more painkillers, so I joined Morning Glow. During the service Pastor Matthew had a word of

knowledge about 'someone with excruciating lower back pain.' I knew this prophecy was my own so I pressed on in, in prayer, believing God for my healing.

I kept on praying the rest of that day and it must have been by the Wednesday when I was going about my business that I realised the pain had gone. I have not had any pain since. Thank you, Lord for my healing and for using Pastor Matthew to speak directly into my life.

24-HOUR MIRACLE

The day after the Atomic Prayers ended I was putting the rubbish out when the post was delivered. I only had one letter that day and it was in a brown envelope. When I went indoors to open it, I found to my surprise that the HMRC said that they owed me almost £1000. Thank you Pastor Matthew for prophesying into our lives a 24hour miracle.

60 DAYS IN 20

Posed by model

Pastor Matthew, thank you. I completed the 60 day Bible plan in 20 days! This experience can only be described as a Royal Banquet and a feast rolled into one. I thank God as it takes grace and anointing to lead the flock to do such marvellous things.

Twice before I have read through the Bible but this experience was sweet like honey from a honeycomb. I was immersed and swimming in the word, and hungry for more. Thank you Pastor Matthew for always being so progressive. This will become my new normal during the free hours of each day.

HARVEST UPON HARVEST

The ministry of Pastor Matthew has enriched my life through the teaching and services. I have spiritually grown and become a blessed, blessing. I joined Morning Glow towards the end of 2020 and God has continually answered my prayers. In 2021 I received a dividend payment from some shares. My son passed his grade 9 exams. My mum received a large tax rebate. I also received a tax rebate and God has kept my whole family safe from the Coronavirus.

Thank you, Lord. All the glory belongs to you.

MERCY & GRACE

I thank GOD! Glory be to the Almighty! A couple of months ago, Pastor Matthew asked us to write down 10 things we needed most to happen in our lives, so my son

and I wrote them down. By GOD's mercy and grace, my son secured a placement in a nearby firm despite the undeniable fact that not only were we in the middle of

NEW SEASON

I want to thank God for keeping me during this season. I've been feeling as if my desires and prayers haven't been answered. However, every time I listen to Morning Glow, join a Sunday service, or read the Bible, I am encouraged and begin to count my blessings, casting my cares onto the Lord. The Word works because since the Jericho Wall season and Atomic Prayer time many of my prayers are now being answered.

Thank you Pastor Matthew for all that you do for the Kingdom.

A couple of months ago, I tested positive for covid-19. In fact, I remember that during one of the Morning Glow services, Pastor Matthew cursed corona virus. Now by the grace of God not only am I free from the virus, but I have also had 2 vaccine jabs as well.
