BETTER THAN A BRACELET

I have some great news for you: Jesus is God's answer to our sins. He died on the cross for us even though He did not deserve to die. He did this to keep us from getting what we deserve, which is being separated from God forever.

The Bible reminds us that, "we have all sinned and are not good enough to share God's divine greatness" (Roman 3:23 ERV) and "When people sin, they earn what sin pays – death. But God gives us a free gift which is eternal life in Christ Jesus our Lord". (Romans 6:23).

This reminds me of a story. Long ago, a mother and her children were having a tough time. They did not have enough money for food, so the children were always hungry.

even though she really didn't want to, but she had no choice. After she sold her bracelet, she told her best friend what she had done. Her friend also knew how important that bracelet was to her. She was also very sad and tearful, but she knew there was nothing else she could have done.

About a month after selling the bracelet, her friend came to visit her and her children. During the visit she handed her a small, wrapped gift in a box. The mother was very curious and opened the gift with excitement.... and guess what the gift was? It was her old bracelet! Her friend had gone to the jewellery shop to buy back the bracelet for her.

This is exactly what Jesus did: He paid the ultimate price for us to be saved from sin with His own life. He bought us back with his own blood by dying on the cross. He saved us from sin and God's anger which allows us to be with God even when we stop living here on earth. The Bible says "The Son paid the price to make us free. In him we have forgiveness of sin". Colossians 1:14 (ERV).

Why did God allow Jesus to die for us?

The Bible says, "Yes God loved the world so much that he gave his only Son, so that everyone who believes in him would not be lost but have eternal life." John 3:16 (ERV).

Jesus offers us the gift of salvation, so if you have not received Jesus as your personal Lord and Saviour yet, please do it today and don't delay!

Their mother was so desperate for money so she could buy food to feed her children; in the end, she had to make a very difficult decision. She had a beautiful bracelet which her grandmother gave to her when she was a teenager.

This bracelet was very special to her, and she promised her grandmother before she passed away, that she will care for the bracelet forever.

So, the mother decided to sell the bracelet for some money,

THE POWER TO TELL

Hi Mum, just back from school", Theo said excitedly. "I have some good news for you". "Hello Theo", replied Mum, "I love good news, what is it? Tell me about it", said mum impatiently. Theo told his Mum that he won his school's math challenge and has been chosen to represent his school in the regional math challenge for his year.

In fact, theo told his brother, his auntie, his Dad, and many of his friends from football and athletics. All those who Theo told mentioned it to other people. Good news spreads fast.

That evening, as Theo told his Uncle James, who reminded him about the good news of the Gospel of Jesus Christ and why this good news must keep being told. "It's a story of how God made everything beautiful, and Jesus came to rescue us from the wrong choices we have made. Jesus took all our bad choices, and he replaced it with his goodness".

"Theo, think about a time you made a bad choice, maybe told

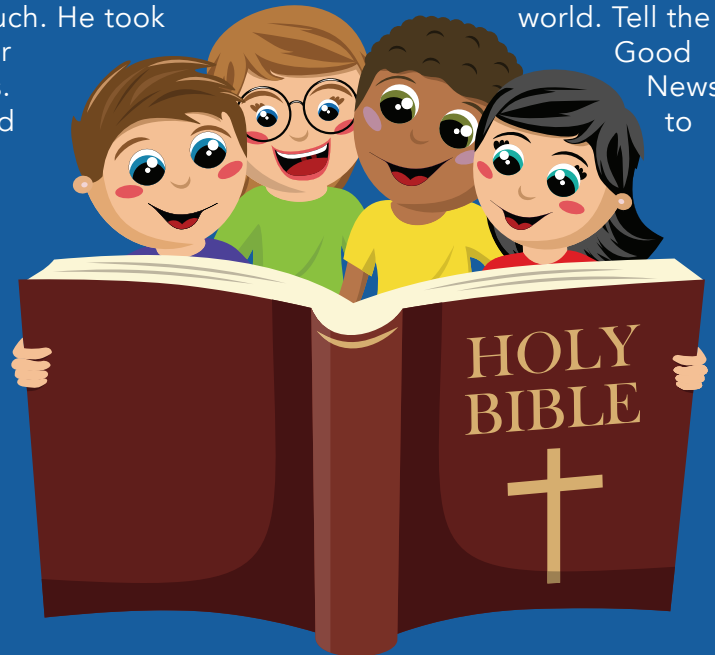

a lie, or took something that wasn't yours. Or maybe you hurt someone with something you did or said. Jesus never made a choice like that. And even though he never made a bad choice he still loves us so much. He took the punishment for our wrong choices. And then Jesus did something even more unexpected. He came back to life! You can read about it in the Bible.

"I know what this is"! Said Theo excitedly, "The Good news". "Yes Theo, the Gospel, is just an old fancy word for it, the good news of Jesus coming to earth, dying for our wrong choices and coming back to life is what He gave us. By coming back to life. Jesus was showing that God can make anything new. There's nothing God can't do and He's more powerful than any sadness or shame, wrong choice, disease and disaster. And its good news for us all because, just like God gave Jesus the power to do good works, He also gave you His Holy Spirit who helps you to tell others the Good News." (Acts 1:8)

"Jesus' friends told everyone they could find about the good news. Those people told other people, and those people told

other people, and on and on. And that's still happening today. In fact, you just heard the good news again."

As Jesus said to the followers, "Go everywhere in the world. Tell the Good News to

everyone. Anyone who believes and is baptized will be saved. But he who does not believe will be judged guilty." Mark 16:15-16 (ICB).

"That's the story of the Good News" said Uncle James. "As one of Jesus' followers, you must tell others the Good News. So be bold and confident to tell your friends and others the what God has done for you".

: PRAYER :

Dear Father God, thank you for sending me to share the Good News. Thank you for giving me your Holy Spirit to help me. Holy Spirit, please help me to share the Good News with everyone you bring my way. Cause many people to receive Jesus as their Lord and Saviour when I tell them the Good News. In Jesus' name. Amen

MEMORY VERSE

"But the Holy Spirit will come to you, and he will give you power. The Holy Spirit will make your spirit strong. Then you will tell other people everywhere in the world about me. You will do that in Jerusalem, in Judea, in Samaria and in places far away." Acts 1:8 (EASY)

LIFE WITHOUT LIMBS

-The Amazing Story of Nick Vujicic

The man we will be talking about today chose to stick with Jesus and God blessed him.

He was born in Melbourne Australia. He loves swimming and was taught to swim by his father from 18 months old. He is also a surfer, footballer, skateboarder and golfer. He got all this success because of his trust in the Lord and in the word of the Lord which says, "I can do all things through Jesus Christ who strengthens me." – Philippians 4:13 (KJV).

Sticking with Jesus means that whatever happens in life He is always there with you. He will always make you strong (Psalm 27:1). Sticking with Jesus means He will always send people to help you when you need it. He will also help you feel His perfect peace and joy that cannot be measured.

Jesus is our Super God and the Holy Spirit lives in you and me. Stick with Him and let Him use you to help, heal and care for others.

NICK VUJICIC

International Best-Selling Author of *Life Without Limits*

Who is this man? His name is Nick Vujicic. He was born without arms and legs and doctors could not explain why. His mother was very careful when she was pregnant with him, but she still blamed herself. His dad threw up when he was born, and his mother could not carry him for 4 months. He was bullied at school, but his parents made him go to a normal school instead of a special school to make him strong and not be labelled as being useless. Nick only has one small foot with one toe. He is able to write because his mother invented a special plastic device that meant he could hold a pen and pencil.

By the age of eight he was very

sad because he was bullied, and he was angry with God but still stuck with HIM. By the age of ten he decided he wanted to die, but he still stuck with Jesus even when he was sad and angry.

When he was thirteen, he read about how God helped another man with a disability to do great things by helping others. Nick then realised why God made him. Nick has since won bravery awards, travelled all over the world and given hope to thousands of people. Nick stuck with Jesus and allowed Him to do his super works through him. Eventually, lots of women wanted to marry him and Jesus led him to choose the right one. He is blessed with a beautiful wife and four children.

: PRAYER :

Dear Father God, thank you for always being ready to make me strong, to do the good things you have prepared for me to do. Holy Spirit, please lead me to know those good things God has prepared for me to do and help me to do them all. In Jesus' name. Amen.

FROM ZERO TO HERO

Eleven year old Victoria does not believe in herself sometimes. She says words like: "I can't do this," "I'm rubbish," "I'm good for nothing;" but Mum always tells her who she is in Christ when she says these words.

"Vickie, darling, you are NOT what you are saying about yourself. You belong to Jesus. You are blessed and highly favoured, above and not beneath, always winning," says Mum.

"Mum, I'm always making mistakes and I can't help it!" Vickie said. "Alright, darling," Mum said, "we're going to ask The Holy Spirit to help you to stop feeling bad about yourself and take away those bad things you say. The way you feel about yourself and the bad words you say can stop you from becoming the best that God wants you to be!"

Mum and Vickie agreed that they were going to start saying good things from God's word about themselves every day because there is power in what we say. The Bible says, "Your words are so powerful that they will kill or give life," Proverbs 18:21 (TPT)

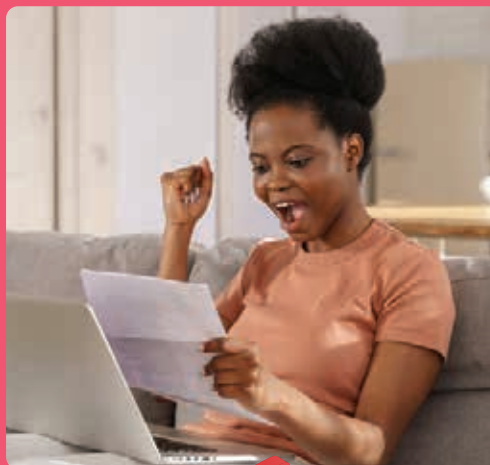

"You need to say good things to yourself every day, even when you find things hard. You must also believe what you say! Our God will help you" Mum added.

Victoria did her best to say good things to herself every day and say them out loud as she worked hard. The more she said these things, she more she loved it.

As time went on, something happened. Vickie felt good about herself. With God's help, she got better in her schoolwork and even her teachers noticed that she has changed.

Soon 11-plus was round the corner, but Vickie was not scared about her exams. She kept on

saying good things from the Word of God to herself and worked hard. When her results came out, she got into her 1st choice school. Everyone could see that the Holy Spirit helped her and gave her victory. (Zechariah 4:6)

God made things right for Victoria and she moved from zero to hero. With God's help, she worked hard, said good things to herself and passed her exams. God can make things right for you too and remove any bad labels from your life when you stick with Him!!

Confession:

I can do all things through Christ who strengthens me! (Philippians 4:13)

I am the head and not the tail! (Deuteronomy 28:13)

I am the best that God wants me to be! (Psalms 139:14)

I have wisdom!

I have understanding! (Proverbs 18:4)

I am clever!

I am a winner!

: PRAYER :

Dear Lord, thank you for the gift of your Holy Spirit in my life. Precious Holy Spirit, I ask that you help me to always think of the good things that God says about me in the Bible. Help me to believe God's word and act on them. Amen.

God my Super Hero and King

A praise for all who love God; God's song is better than wine.

God's kisses on my lips and love is better than wine in my mouth.

I will rejoice and be glad in him always; so that my life will not be given to the devil and beast as food.

My God has brought me into his presence and place me in the high places for the world to see.

I will give thanks and praise to my God always, because He is good and God is love. Amen

 He is even more super than THE BLACK PANTHER
 He is my SUPERHERO!

OUR SUPER GOD

We have a super God that makes all things possible in His name
 His name is Jesus Christ the Son of the Living God
 He makes all things great
 He can turn water into wine and make the blind to see
 He makes all things fine even our sins that He washes away with His blood
 He sacrificed His Life for every one of us so that we could live forever
 And even His disciples told people about those things
 He does miracles and gives life
 So, we must thank God for those things
 He gives us what we ask for even better than we ask
 He does it but only at the time He thinks is right
 We must thank God and have faith in His name because faith is what God likes
 We have to thank our Super God and praise Him always
 He gave us life and does great things for us
 We are never alone because our super God is always with us.

POEMS

Our Super God

How wonderful He is,
In power and in glory!
Our amazing God and
all his super stories!

He helped David when up against a giant,
Even though he was small,
and didn't have a suppliant.
With five stones and many tries,
The giant fell, leaving people in surprise!

He aided the men when in a fire
When they didn't obey the king's desire
Our amazing God kept them all alive
When they came out,
a fourth man arrived!

When pharaoh continually refused to listen
Being punished ten times was part of His
mission

He helped Moses part the seas
So all the people could quickly flee!
Now you've heard of what He did
To help all those that needed Him
He sent His only son out into the world
So everyone could hear the word

Jesus died upon the cross
for every single one of us
He freed everyone from sin and pain
And in three days, he rose again

Now we can all jubilate
As we all cry 'Our God is great!'
You've also learnt about what He's done
For you, me and everyone!

OUR SUPER GOD

Our Super God
Makes all things possible
Provides us with our every need
He is always with us
Our Super God

The Devil may throw his devious darts at us
Or take us aback with his ambiguous attacks
But thou shall not fear
For you are always with us
Our Super God

For all that you have done
And for all you will do
We give you all the praise and honour
And our loud applause of veneration
Sing! for God has blessed us
Clap! for he has done it for us

And let us rejoice in the
house of the living God

How can we pay you back our God?
You are Alpha and Omega
The first and the last
Our salvation and our comforter
You are here with us
Our Super God

OUR SUPER GOD

Our God is amazing
Under His watch we are protected from the enemy
With His holy hands He performs magnificent miracles
And with his just voice he rebukes the wicked
He is Our Super God

However, the Devil tries to trick you
With his devious deceit and luring lies
But God strikes swiftly at our hearts
And delivers us from this,
Our saviour, Our super God

Our deliverer, comforter and guide
Is always here with us
Through His Spirit that lives in us
Giving us hope, peace and joy
Healing and always helping us when needed

Isn't he so very important?
Isn't he so wise?
Shouldn't we give great thanks to him?
Sitting enthroned in his majestic reign...
Is our Super God!
